BLOW TO BUSBY

BUSBY B.C. ... 1
SCOTSTOUN Y.C. ... 4
BUSBY'S league championship hopes took a knock on Saturday when they lost to league leaders Scotstoun.

Scotstoun scored first after 20 minutes from a penalty, which Busby disputed, but the goal stood, and just before half-time they got another one. The ground was very heavy and the Busby boys, although much the lighter side, made a determined effort when they resumed after half-time.

After a lot of near misses in the Scotstoun goalmouth, Busby were

From two breakaways in the closing stages Scotstoun added other two goals.

TH

THING OF THE PAST

v. Mike Mair sparked some lively discussion when he visited Mearns Kirk Youth Fellowship last night. Talking about his thoughts on the future of ministry in the Church of Scotland he said that "it is a thing of the past" in their present situation. He envisaged part-time ministers, who were employed in other areas, commanding a much higher salary thus allowing more money to be spent on other areas of the church's work.

Decide now...

"DECIDE NOW" were the operative words that Jehovah's Witnesses from Clarkston, Busby and Giffnock found ringing in their ears as they returned on Sunday from Paisley to their home congregation. They had attended a two-day assembly of the Witnesses at the Town Hall, Paisley.

On Saturday the programme was slanted to youth and its problems.

On Sunday morning 14 new Witnesses declared that they too had decided to serve God. Following this they symbolised that decision by water baptism at the Public Baths, Storie Street, Paisley.

Climaxing the whole weekend was the appealing public talk by Mr W. J. Bull, of London and heard by 1,142 on "Decide now for Divine Rulership."
